Dear Nursing Colleague,

We are contacting you from the RNAO Pediatric Nurses Interest Group (PedNIG) to enlist your help to network with student nurses.

PedNIG is an interest group of the RNAO, charged with raising the profile of pediatric nursing in Ontario, and advocating for the health of children across the province.

Attached in this e-mail, is a flyer that outlines the benefits of PedNIG membership and how Registered Nurses and RN students as well as Registered Practical Nurses who are currently in school to complete their bachelor degree in nursing, can become PedNIG members!

We are hoping through your online access to students via e-mail and on-line learning tools such as WebCT and Blackboard; and your influence during student orientation at the start of the year; you can post the attached flyer to message boards and e-mails.

Please do not hesitate to e-mail either Vivian Pham or Andrea Brandt with any questions. Thank-you for taking the time to help PedNIG reach student nurses across Ontario.

Sincerely,

Vivian and Andrea
